Gogo Galileo Is

- Most exceptional global broadband experience
- Fits any size business aircraft
- Streamlined installation
- Purpose built

Three Options – One Philosophy

HDX

Max Speeds	60Mbps
Weight	< 22lbs
Max Power	165W
Dimensions	24 x 11.8 x 2.1 inch

FDX

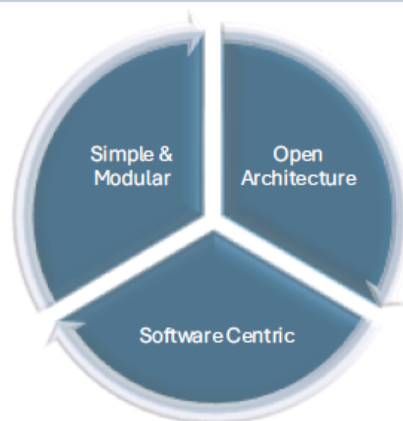

Max Speeds	195Mbps
Weight	< 45lbs
Max Power	330W
Dimensions	30 x 24.6 x 2.1 inch

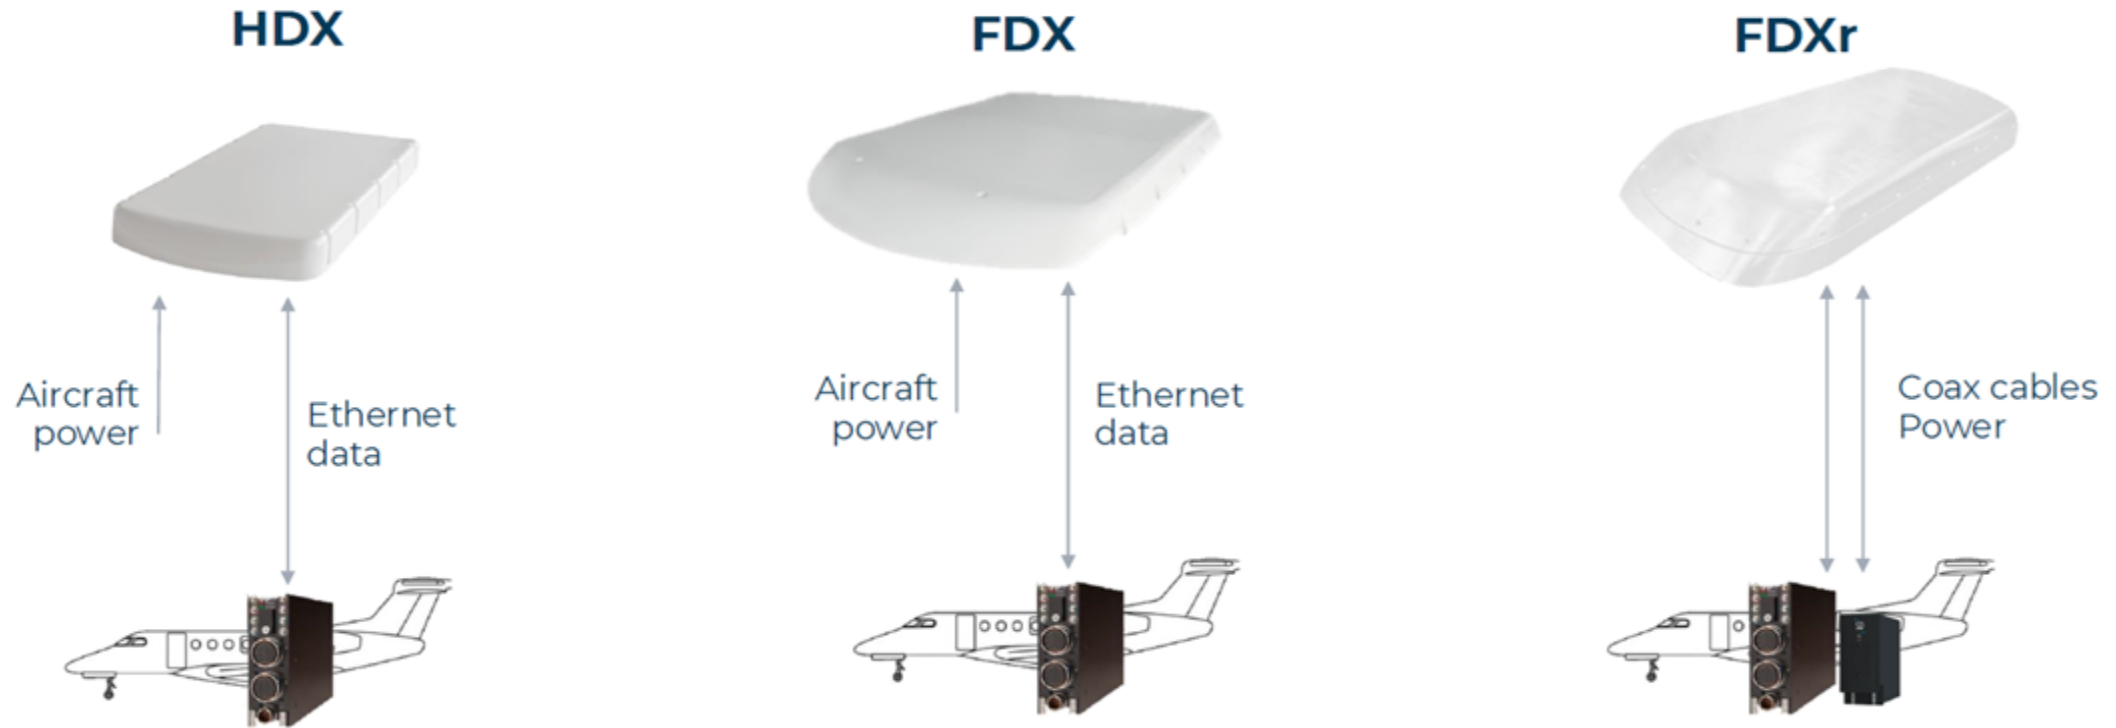

FDXr

Max Speeds	195Mbps
Weight	60lbs
Max Power	330W
Dimensions	46 x 17.4 x 3.4 inch

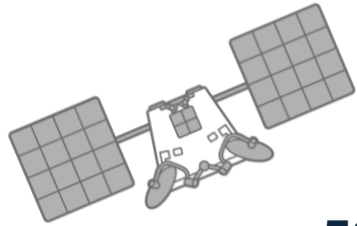

Simplicity & Flexibility

Reduced downtime & installation costs

Eutelsat OneWeb – LEO Constellation

The OneWeb constellation comprises **634** individual Low Earth Orbit satellites

588 Active Satellites divided across **12** orbital axis

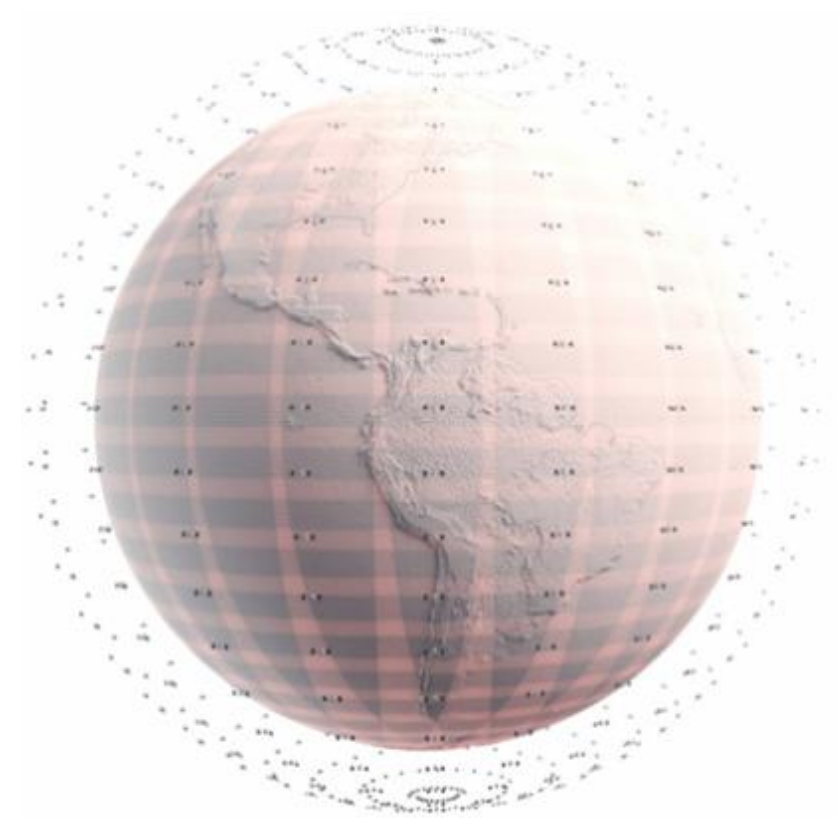

The **12** orbital axis operate at an altitude of about 1200km above the Earth's surface in order to give global coverage.

46 spare satellites fly between active satellites with their payloads powered off ensures robust constellation-level reliability

High Speed
Low Latency

Seamless Handover
Worldwide Coverage

King Air variants

A grayscale background image of a man in a suit and tie, sitting in an airplane cabin. He is holding a smartphone to his ear with his left hand and has his right hand on a laptop. The image is semi-transparent, allowing text to be overlaid. A large, white, stylized cloud shape is positioned on the right side of the image.

Thank You
